SUCCESS—
FOR YOUR STUDENTS AND YOUR INSTITUTION.

UNBIASED ADVICE, INCOMPARABLE EXPERTISE FROM A TRUSTED NAME.

You’re driven to help your students and your institution succeed regardless of the obstacles and limitations. AACRAO Consulting is here to partner with you in reaching your goals as well as those of your students. We’re part of the non-profit American Association of Collegiate Registrars and Admissions Officers (AACRAO), one of the most respected and long-standing associations in higher education.

Recognized for setting the standard for innovation in enrollment and academic support services, AACRAO brings first-hand knowledge of best practices in higher education. At AACRAO Consulting, we leverage that experience for campus leaders and departments at universities and colleges of all sizes, across the U.S. and Canada, and across the globe.

“AACRAO consultants are personable and easy to talk to. But they’re also extremely knowledgeable about their fields, and bring in-depth experience culled from their work at different institutions. Because of this knowledge, they were ready to dive right in without needing much prep. They know about the latest trends and best practices in higher ed, and provide data-backed evidence for their recommendations. I love working with them; it’s been excellent.”

INTERNATIONAL HIGHER EDUCATION—This review examines current recruitment and admitting processes and procedures, student support and compliance, and offers improvements for reaching, attracting and retaining students from around the world.

COMPREHENSIVE LEARNER RECORD (CLR) AND LEARNING AND EMPLOYMENT RECORD (LER)—Let us guide you in the planning and implementation process for a system that contains verifiable information about a person’s achievements spanning an inclusive range of contexts to include the CLR, the higher education component of the LER, in order to provide credentials that represent the skills and competencies achieved by students during their academic career.

CUSTOMIZED SERVICES
As a non-profit, non-partisan firm, we are the only consulting group with the knowledge and the access to leading experts to help you find the enrollment solutions best suited to your institution. We have vast experience working on long-range planning with institutions who desire a strategic enrollment management plan to achieve institutional health and greatest student success.

STRATEGIC ENROLLMENT MANAGEMENT (SEM)—Reach, recruit and retain the best mix of students using limited resources while containing costs. Components may include a SEM Readiness Review and/or SEM Plan Development.

ADMISSIONS OPERATIONS REVIEW—Ensure that processes and services are following leading practices in all parts of the admissions office. The review may be general or address a specific issue, such as staff roles and responsibilities, use of technology or how admissions operations integrate with other key departments.

REGISTRAR’S OFFICE REVIEW—Find the best ways to capture, record, maintain and store student academic records and related data. This review can address the entire process, a specific issue and/or the registrar’s role in relation to other departments to uncover opportunities for improved efficiencies, accuracy and response times.

TRANSFER PRACTICES REVIEW—Build clean, stream-lined and efficient articulation agreements. This review can also encompass the development of partnership agreements that align the interests and needs of two-year and four-year institutions to help create a more effective pipeline of qualified and prepared transfer students.

RECRUITMENT & MARKETING REVIEW—Work more efficiently and productively with communications with students, streamlining processes and deliver student-focused, lead-gen services. Assessments may include communication strategies, marketing efforts across all media, information capture, outreach activities, staff training and deployment targeted at achieving application, enrollment and yield goals.

FERPA TRAINING AND REVIEWS—Ensure student, families and your institution that students and staff are familiar with student privacy rights and that the law is being interpreted and enforced correctly on your campus or at your organization.

RETISSION & STUDENT SUCCESS REVIEW—Assert a commitment to supporting students through completion/graduation. Assessments may include retention initiative programs and/or other efforts as well as outreach to students as a whole or those who struggle academically, socially or financially.
