From these lists the committee will choose fourteen nominees for the following year's committee and up to two Member Director nominees for each open position on the Board. These will be certified by the committee chair to the Board and Executive Director no later than December 1.
- d. Concluding no later than February 15, an election will be held electronically. Voting will be available to the membership for no fewer than thirty days.
 1. The ballot will contain the names of the fourteen nominees for the committee, with instructions to vote for seven and to submit the ballot electronically to the committee chair.
 2. The ballot will also contain the names of the nominees for each open Member Director position and open lines for write-in votes, with instructions to vote for no more than one for each open position and to submit the ballot electronically to the committee chair.

3. Those ballots submitted by the deadline established by the committee chair and containing not more than the specified number of votes for the committee and for the open Member Director positions will be counted as valid ballots.
 4. The committee chair will certify the results of the election to the Board and Executive Director.

- b. The committee may nominate up to two individuals for each open position. In addition to these nominees, the ballot will include open lines for write-in votes. There will be an open line for write-in votes for each open Member Director position. Those receiving a plurality of votes will be elected. The committee will note the runners-up and select the top runner-up in the event one of those elected subsequently declines.
- c. In the case of tie votes, the committee chair will determine the winner by lot from among tied candidates.

Section 3: Election of External Directors

An External Director will be elected by a majority vote of Board members present and voting.

Article V: Meetings

Section 1: Annual Meeting

The Board will call the Annual Meeting of the Association and will set the precise date and location of that meeting. The Board will have the authority to advance, postpone, or, in case of an emergency, cancel an Annual Meeting; in such a case, the time between two consecutive meetings of the Association will be counted as one year of administration. Official notification of the Annual Meeting will occur at least thirty days and no more than fifty days prior to the Business Session of the Annual Meeting through established methodologies used to communicate with members. The Board will approve the budget for the Annual Meeting.

Section 2: Business Session

Unless otherwise specified in the Bylaws, Association business will be conducted at the Business Session of the Annual Meeting by the voting members present and voting members who are attending the Business Meeting virtually. A quorum at the Business Session will be two hundred voting members. Official business to be conducted at the Business Session will include but not be limited to the following:

- a. approval of minutes and reports from Directors and committees, with such action as may be appropriate, including adoption of the budget and resolutions; and
- b. action on any proposed amendments to the Bylaws or Articles of Incorporation.

The adoption of any proposed amendment to the Bylaws or Articles of Incorporation will require a two-thirds majority of the votes cast if notice was given to the voting members at least thirty days in advance or a four-fifths majority if less or no advance notice was given. Except for amendments to the Bylaws and Articles of Incorporation, decisions will be made by majority vote of those present and voting.

Article VI: Appointed Committees and Task Forces of the Association

Section 1: Committees and Task Forces

Committees and task forces, to assist in Association activities, as deemed necessary or desirable, will be established (or may be discontinued) by the Board.

Section 3: The Program Committee

The Program Committee consists of a chair, a vice chair, a vice chair-designate, and the coordinator of each professional program group. The Board approves each succeeding vice chair-designate. The minutes from AACRAO board meetings serve as the permanent record of official actions of the Board and as the legal record of the meetings. However, they are not a transcript of the discussion and will generally include only approved actions of the Board.

The secretary of the Board, also serving as the Vice President for Finance, is responsible for the recording and archiving all meeting minutes. An AACRAO staff member will be appointed by the executive director to compose and edit the minutes for the secretary, who will review and present them to the Board for approval. The staff member generally records the meeting to reference when drafting the minutes. The recording of the meeting is to be deleted by the staff member when the minutes are approved by the Board. For some ongoing matters considered by the Board, it is helpful to have notes of the discussion in order to continue discussion at a future meeting. The staff member appointed to record minutes will also keep summary notes of discussion for Board use when directed to do so by the Chair of the Board.

A template for minutes will be used to ensure consistency in formatting and is can be found in the Board Handbook as item B.3.3.1. The following conventions will be used for composing minutes:

Header

- The minutes will begin with the name, date and place of the meeting. When the meeting is by teleconference, the time at the AACRAO Office will be recorded in the minutes (Eastern Time).
- All members present and absent will be recorded separately in alphabetical order.
- All AACRAO Staff members will be listed alphabetically followed by a list of any guests in attendance.

Style Guidelines

- All minutes will use Times New Roman 12pt font.
- Board, Board of Directors, and Association are always capitalized when referring to AACRAO.
- Capitalize and spell out all AACRAO official titles—Executive Director, President, Vice President, etc. Do not capitalize generic “members” or “membership.”

- Capitalize names of specific committees, e.g. Governance Committee, but do not capitalize a reference to “the committee.”
- Capitalize Bylaws and Articles of Incorporation.
- Capitalize Annual Meeting and the Business Session of the Annual Meeting of the Association. Use the full name of the Business Session in the minutes. Do not capitalize meeting when it refers to one of many meetings of the Board.
- In the body text of the minutes, Board members and executive staff will be referred to as “title” and “last name,” e.g. Vice President Smith or Associate Executive Director Brown. Do not abbreviate these titles.
- The President is used as the title for the chair of the Board.
- Underline headings for standing committee reports and Vice President reports.
- Until minutes are approved use header at top of each page noting “DRAFT” in red font.
- Use page numbers at bottom right corner formatted as footer: “Page X”.
- When the meeting spans more than one day note that times the meeting was recessed and reconvened as follows: “The Board recessed at 3:27 p.m. and reconvened at 9:55 a.m. on June 13, 2012.” Use the same format when the Board recesses into executive session and reconvenes.
- Time zone indication is made only as part of the report of Call to Order and Adjournment. The time zone should be spelled out in the Call to Order and can be abbreviated (e.g., PST, EDT) when referenced elsewhere.

Motions

- Motions are noted as “It was duly moved and seconded...” The persons making the motion and making the second are not noted. If the motion is brought forward by a committee it is recorded as “It was duly moved by the XX Committee...”
- The results of votes on motions are recorded as APPROVED or DEFEATED. A vote tally or abstentions are not listed unless requested. Two spaces will be put between the end of the sentence and the notation of APPROVED OR DEFEATED. Example: “It was duly moved and seconded that the Board of Directors meeting be adjourned. APPROVED”
- Discussion of the motion is not usually included in the minutes. When there is a debate or discussion about a motion, a board member may request that a summary of the major points for and against the motion will be included. The name of a Board member making a statement is not included, unless specifically requested by the Board member as a record of the proceedings.

Note: See the minutes template in section B.3.3.1. for an example of minutes format.

Attachments

- Include minutes approved at the meeting, excluding executive session minutes. The attachments originally included on the approved minutes will be removed. The attachments will still be available with the original approved minutes.
- Any financial documents approved by the Board will be attached.
- Attach any document approved or defeated by the Board at the meeting.
- Attach the consent agenda approved by the Board at the meeting.

B.4. – LEGAL AND COMPLIANCE

B.4.1. – CONFLICT OF INTEREST POLICY

Section 1: Interested Party

Any director, officer, member of a committee with Board-delegated powers, or senior leadership employee is subject to this policy.

Section 2: Financial Interest

A person has a financial interest in a transaction or arrangement if the person has, directly or indirectly, through business, family, or investment:-

- a. A current ownership, investment, or fiduciary interest in any entity with which the Association has a transaction or arrangement;
- b. A compensation arrangement with the Association or with any entity or individual with which the Association has, or is negotiating, a transaction or arrangement; or
- c. A current interest with any entity or individual that is a competitor of an entity or individual with which the Association has, or is negotiating, a transaction or arrangement.

Involvement with an AACRAO-related state or regional association, including holding an officer/leadership role, will not, in and of itself, constitute an interest that requires disclosure under this policy. Board members may continue to engage in AACRAO activities such as leading workshops, teaching a course, writing for an AACRAO journal, or other activities where there is typically nominal compensation, but they may not accept any compensation during the period they serve on the board.

Section 3: Personal Relationships

AACRAO permits employment and service in leadership roles of qualified individuals who are related to employees as long as the relationships are disclosed and either the conflict can be mitigated or such employment or leadership role does not, in the opinion of the Association, create a real or potential conflict of interest. A conflict of interest exists when related individuals working in the same, or different, department have a direct line of authority/reporting relationship, and/or have the ability to impact the decision to:

- a. hire, or;
- b. identify or assign duties or responsibilities, or;
- c. retain, transfer, or promote, or;
- d. determine or influence compensation or any other terms, conditions, or benefits of employment.

The nature of relationships varies widely, so it is not possible to define precisely, and exhaustively, all situations in which a potential conflict of interest may arise. The following does not constitute an exhaustive listing, but indicates the most prevalent types of relationships that may be considered “related individuals” for the purposes of this policy.

- a. By blood or adoption: parent, child, sibling, grandparent, grandchild, first cousin, uncle, aunt, nephew, or niece;
- b. By a current or former marriage: spouse, brother or sister-in-law, father or mother-in-law, son or daughter-in-law, step-parent, or step-child;
- c. Domestic partners: a domestic partner shall be treated as a spouse for purposes of this policy;
- d. Romantic, sexual, or other consensual relationships that may give the appearance of favoritism.

As defined by this policy, employees who become related during the course of their employment will be treated in

accordance with this policy. Employees are obligated to report a relationship as soon as possible, but no later than ninety (90) days from the date they become related.

Section 4: Procedures

Board members, and members-elect, must sign conflict-of-interest disclosure. This will occur at the first in-person meeting of the Board of Directors in each calendar year.

In the case of conflict, the interested person shall disclose his or her interest to the appropriate Association staff person or president of the Board. . After disclosing the interest, the interested person shall not participate in the process of determining whether a conflict of interest exists. If the Board (or Board designated committee) finds that there is a conflict of interest, the individual shall not participate in the discussion or decision.

Before entering into the transaction or arrangement, the Board (or Board appointed committee) shall review the comparability information to determine whether the transaction or arrangement is in the Association's best interest, and for its own benefit, and whether it is fair and reasonable to the Association. The Board or committee shall decide whether to enter into the transaction or arrangement by majority vote.

Section 5: Records of Proceedings

The minutes of the Board, and all committees with Board-delegated powers, shall contain:

- a. the names of the persons who disclosed, or otherwise were found to have an interest in an actual or proposed transaction or arrangement,
- b. any action taken to determine whether a conflict of interest was present;
- c. the Board or committee's decision as to whether a conflict of interest in fact existed; and

- d. the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion (including the basis for the Board's or committee's decision that the transaction was fair and reasonable to the Association) and a record of any votes taken therewith.

Section 6: Violations of Conflict of Interest Policy

If the Board of Directors learns that a director, officer, volunteer, member of a committee with Board-delegated powers, or senior employee has failed to disclose a conflict of interest as required by Section 3, it shall inform the individual and afford an opportunity for the individual to explain the alleged failure to disclose. After hearing the individual's response, the Board shall take appropriate action, if any action is needed.

Confidentiality

Board members are reminded that confidential financial, personnel, and other matters concerning the Association, AACRAO members, or AACRAO office staff may be included in Board materials or discussed from time to time. Board members should not disclose such confidential information to anyone, until

determined otherwise by the Board, and will hold in confidence the particulars of Board discussions, even after their terms on the Board have ended.

Nondiscrimination

Directors and Directors-elect will abide by the Board's Statement on Prohibited Bias, Discrimination, Harassment, and Sexual and Related Misconduct.

Removal of a Director or Director-elect

Directors are subject to removal from the Board by the process described under Article III, Section 7 of the AACRAO Bylaws. Directors-elect will be subject to this Code of Conduct once the Nominations and Elections Committee has certified their election. The procedure for removing a Director-elect will mirror the procedure outlined in Article III, Section 7 of the AACRAO Bylaws. Reasons for removal include, but are not limited to, the following examples:

- intentional or egregious breach of local, state, or federal law
- intentional or egregious breach of Board confidentiality, conflict of interest, or other Association policies, including discriminatory or harassing conduct
- intentional or egregious breach of policy at the Director's employing institution.

SECTION C – FINANCE

C.1. – INVESTMENTS

C.1.1. – INVESTMENT POLICY

American Association of Collegiate Registrars and Admissions Officers

Association Investment Policy

1. Board of Directors

- 1.1. Fiduciary Capacity – All funds of the American Association of Collegiate Registrars and Admissions Officers (“AACRAO”) are held by its Board of Directors (“Board”) as a fiduciary. Therefore, all restricted and unrestricted funds of the organization are held by the Association as a steward for the sake of carrying out AACRAO’s mission and objectives. The following instructions are to be understood and employed with that sense of stewardship in mind.
- 1.2. Prudent Investor - The basic investment standards shall be those of a prudent investor as articulated in laws of the District of Columbia. This standard requires that the Board invest and manage AACRAO’s funds as a prudent investor would, in light of the purposes, terms, distribution requirements, and other circumstances of the funds. This standard requires that the Board exercise reasonable care, skill, and caution, and is to be applied to investments not in isolation but in the context of the overall investment portfolio and as a part of an overall investment strategy, which should incorporate risk and return objectives reasonably suitable to the portfolio. In making and implementing investment decisions, the Board has a duty to diversify the investments of the portfolio unless, under the circumstances, it is prudent not to do so. In addition, Board members must conform to fundamental fiduciary duties of loyalty and impartiality; act with prudence in deciding whether and how to delegate authority and in the selection and supervision of agents; and, incur only costs that are reasonable in amount and appropriate to the investment responsibilities of those agents.
- 1.3. The Board of Directors will
 - 1.3.1. approve the selection, hiring, and termination of all outside Investment Consultants and other outside investment professionals; and
 - 1.3.2. establish investment guidelines and policies that direct the investment of the Association’s portfolio including asset allocation, risk tolerance, and investment time horizon.
- 1.4. Conflicts of Interest – The Board will not knowingly invest AACRAO funds with any firm or in any vehicle that may monetarily benefit a member of the Board or the AACRAO staff as a result of the transaction.
- 1.5. Amendment – The Board reserves unto itself the exclusive right to amend or revise this policy.

2. Finance, Investments and Audit Committee

- 2.1. Purpose - The purpose of the Finance, Investments and Audit Committee is to assist the Board in reviewing investment policies, strategies, transactions, and the performance of the Association's investment portfolio(s). Additionally, the committee makes recommendations relating to the integrity of the accounting and financial reporting; financial controls; compliance with legal and regulatory requirements, including the filing of IRS form 990; and the qualifications, independence, and performance of the outside auditor.
- 2.2. Responsibilities – With regard to investment policy, The Finance, Investments and Audit Committee shall
 - 2.2.1. supervise the overall implementation of AACRAO's investment policies by the Executive Director and outside investment professionals; and
 - 2.2.2. recommend the selection, hiring, and termination of all outside investment consultants and other outside investment professionals to the Board for its approval; and
 - 2.2.3. recommend the establishment of investment guidelines and policies to the Board for its approval; and
 - 2.2.4. review and evaluate the performance of the investment portfolio and investment consultants and other outside investment professionals at least once per fiscal year to assure adherence to policy guidelines, and monitor progress toward achieving investment objectives, and report the results of such reviews and evaluations to the Board; and
 - 2.2.5. provide overall supervision to the Executive Director to whom the committee delegates specific duties related to AACRAO investments; and
 - 2.2.6. act in accord with this investment policy and all applicable laws and state and federal regulations that apply to nonprofit agencies including, but not limited to, the Uniform Prudent Investors Act and the Uniform Prudent Management of Institutional Funds Act; and
 - 2.2.7. perform other duties as delegated by the Board from time to time.

3. Management

At the discretion of the Finance, Investments and Audit Committee, specific duties, tasks, and responsibilities related to the Association's investments may be assigned or delegated to the Executive Director from time to time, subject to the overall supervision of the Finance, Investments and Audit Committee.

4. Investment Consultants

- 4.1. Investment Consultant(s) - Relative to the perpetual life of AACRAO's long-term investment funds, service on the AACRAO Board or its Finance, Investments and Audit Committee is transitory. In addition, it is unlikely that a sufficient number of members of the Finance, Investments and Audit Committee will possess the technical expertise to directly manage the investment portfolio. For these reasons, the Finance, Investments and Audit Committee shall employ one or more Investment Consultants to manage AACRAO's investment funds instead of directly managing investments itself.
- 4.2. Investment Guidelines – The Investment Consultants are responsible for making discretionary day-to-day investment decisions on behalf of the Board, they will follow written guidelines that limit their actions to a range of investment activities approved by the Board (see section 7 below).
- 4.3. Responsibilities of Investment Consultants – Investment Consultants shall
 - 4.3.1. consult with the Finance, Investments and Audit Committee and Executive Director on investment goals and strategic long-term direction of the Association; and
 - 4.3.2. recommend investment guidelines, asset allocation strategies, risk-based fund objectives, and appropriate investment management structures; and
 - 4.3.3. adhere to all investment guidelines established by the Board (see section 7 below); and
 - 4.3.4. select, monitor, and evaluate investment managers and/or investment entities; and
 - 4.3.5. provide and review quarterly and annual performance measurement reports and assist the Finance, Investments and Audit Committee in interpreting the results; and
 - 4.3.6. provide appropriate monthly reports to the Association's accounting staff; and
 - 4.3.7. proactively rebalance the fund and make tactical asset allocation shifts, as needed, to maintain proper asset allocations and investment strategies for the objectives of each fund in light of the economic and market environments; and
 - 4.3.8. assist in an annual review of the Investment Policy; and
 - 4.3.9. execute such other duties as may be mutually agreed.

5. Operating Reserve Funds

AACRAO will maintain sufficient operating reserves (one month of the annual budget) to ensure adequate cash for operations. Given the short-term nature of the Operating Reserves it is critical to ensure the safety of the portfolio by utilizing fixed income and cash investments focused on liquidity and preservation of capital.

The Executive Director is responsible for advanced planning that will ensure that the Association's cash flow requirements are met, and for notifying Investment Consultants and other money managers of anticipated distributions and liquidity requirements.

6. Long-Term Reserve Fund

The Board maintains a managed, long-term investment portfolio. It is expected that the Association will spend prudently from these funds in order to ensure their perpetual existence. The portfolio may be used for the following purposes:

- 6.1. Purpose - AACRAO will maintain a Long-Term Reserve Fund designed to provide long-term sustainability to the organization as well as meeting existing debt covenants.
- 6.2. Target Value – The Long-Term Reserve Fund should maintain a target value of 66% (8 months) of the current fiscal year budgeted operating expenses.
- 6.3. Minimum Value - The Long-Term Reserve Fund should maintain a minimum value of 50% (6 months) of the current fiscal year budget. Additionally, on an annual basis, any existing debt covenants should be reviewed to ensure adequate reserves are being maintained to meet such debt covenants.
- 6.4. Spending Policy – Reserves in excess of the target value will be available each year for strategic spending. In any given fiscal year, the staff may propose that up to 25% of excess reserves be added to the following year's budget.
- 6.5. Strategic Spending – The Board may use excess reserves (according to the spending policy noted in 6.4) to fund equipment and hardware upgrades, software acquisition and development, office repairs, develop new programs or replace outdated ones, expand the Association's interests and services, or invest in new revenue-producing opportunities. The *Strategic Spending Policy* provides further guidance on the parameters around strategic spending.
- 6.6. Contributions – Contributions to the Long-Term Reserve Fund must be approved by the Board and will normally comprise net surpluses generated in any fiscal year. The Long-Term Reserve Fund shall be funded only if the Operating Reserve Fund is fully funded.

7. Investment Guidelines for Investment Consultants

- 7.1. Investment Purpose - The investment purpose of the long-term reserve funds is to provide financial stability and operating revenue in support of the Association mission. Income and gains from all these funds, in addition to spending guidelines of each fund as listed above, may be spent to support the prescribed functions of the respective fund.
- 7.2. Investment Primary Objective - The primary investment objective of the long-term investment funds is to achieve a rate of return, net of fees, which meets or exceeds CPI + 4% over a complete market cycle of rolling five-year periods.
- 7.3. Investment Long-Term Objective - The long-term objective of the total portfolio (all Funds combined together) is to pursue income and growth with equal emphasis on principal

preservation and maintaining purchasing power over time. Whereas it is understood that fluctuating rates of return are characteristic of the securities markets, the greatest concern is long-term maintenance of purchasing power and consistency of total portfolio return over time. Objectives will be measured by results achieved over a three-year rolling period.

- 7.4. Risk, Volatility and Loss - AACRAO recognizes that risk (i.e. the uncertainty of future events), volatility (i.e. the potential for variability of asset values), and the potential loss in purchasing power due to inflation are present to some degree with all types of investment vehicles. The assumption of a level of risk that is commensurate with AACRAO's objectives is warranted in order to allow the investment portfolio the opportunity to achieve satisfactory results consistent with its objectives and characteristics. AACRAO will accept the exhibition of portfolio volatility characteristics that approximate the appropriate index as outlined below in section 7.13. Nonetheless, it is AACRAO's expectation that the maximum losses incurred by the portfolio in any one year not exceed that of the comparative index. The Investment Consultant(s) should take actions to minimize losses.
- 7.5. Asset Allocation – The long-term reserve fund will have a specific asset allocation in order to serve its purpose effectively. From time to time and with the advice of the Investment Consultant(s), the Finance, Investments and Audit Committee may amend the asset allocations without Board approval as long as it stays within ranges below. However, the mix of assets in any of the long-term investment funds should fall within the following tactical ranges:
- 7.5.1. Cash: 0-10%
 - 7.5.2. Equities: 40-85%
 - 7.5.3. Fixed Income: 15-60%
 - 7.5.4. Alternative Investments: 0-30%
- 7.6. Rebalancing Procedures - It is understood that market movements and tactical adjustments may cause the actual allocation of assets to vary from the policy allocations listed in section 7.5. Therefore, it will be necessary to rebalance the portfolios to those tactical allocations periodically. Gains and losses will be recognized during the implementation of rebalancing whether the total portfolio return is positive or negative during such rebalancing periods. The ranges set forth in section 7.5 above are thresholds that should be reviewed quarterly by AACRAO after receipt of quarterly investment reports from the Investment Consultant(s), who will regularly monitor the portfolio for any variations from the policy allocations.
- If the actual allocation in any of the four major asset classes (Equities, Fixed Income Alternatives, and Cash) varies from the policy allocation by at least 10% in absolute terms, it will call for rebalancing of the portfolio back to the tactical amounts as soon as is practicable.
- 7.7. Diversification, Marketability, Yield, and Quality Consideration - Seeking to establish a diversified program of investments, assets shall be invested under the management of one or more registered investment advisors in mutual funds, separately managed accounts, alternative investments, and index-linked exchange traded funds (ETF) in portfolios of U.S. domestic equities, domestic fixed income, and international equities. Investment vehicles and amounts allocated to each vehicle may change after a thorough review of the capital markets.

The specific guidelines in 7.8 and 7.9 do not apply to pooled investments as these investment vehicles will follow the guidelines detailed in their prospectuses.

The types of stocks and market capitalization of the companies purchased for the portfolio are within the discretion of the Investment Consultant(s). The Investment Consultant(s) is expressly permitted to invest in small, medium and large capitalization stocks.

7.8. Equity Portfolio

- 7.8.1. Equity holding in any one company in each investment consultant's portfolio may not exceed 7% of portfolio at cost or 10% of account value.
- 7.8.2. Equity holding in non-U.S. investments, including emerging markets, may not exceed 45% of the market value of the portfolio.
- 7.8.3. Equity securities shall in general possess value and quality corroborated by accepted techniques and standards of fundamental and technical analysis.

7.9. Fixed Income Portfolio

- 7.9.1. Investments in bonds should be actively managed. Active management is meant to include shifting sector emphasis as well as affecting other prudent strategies that enhance the portfolio or decrease the volatility or exposure to capital depreciation. However, the weighted average maturity of the portfolio must be 10 years or less with a maximum of 30 years for individual securities.
- 7.9.2. The diversification of fixed income securities by maturity, sector, and geography is the responsibility of the Investment Consultant(s), with final approval provided by the Finance, Investments and Audit Committee.
- 7.9.3. Individual fixed income securities shall be marketable, intermediate-term maturity securities with an average portfolio rating of no less than "BBB" as rated by Standard and Poor's or Moody's. The following instruments are acceptable:
 - 7.9.3.1. Commercial paper or variable rate notes of P-1 or equivalent rating.
 - 7.9.3.2. Certificates of deposit and bankers acceptances (A-rated or above).
 - 7.9.3.3. United States Treasury bonds, notes, and bills.
 - 7.9.3.4. Repurchase agreements with U.S. Treasury securities and agencies of the U.S. Government as collateral.
 - 7.9.3.5. Debt instruments of the U.S. Government or its agencies.
 - 7.9.3.6. Corporate debt issues with an investment grade rating from a major bond-rating agency such as Moody's or Standard and Poor's (BBB-rated or higher).

- 7.9.3.7 High-yield or below investment grade bonds (rated BB or lower) may be purchased in a pooled investment vehicle such as an exchange traded fund (ETF) or a mutual fund. If purchased as individual bonds, then a professional money manager must be hired to manage these investments opportunistically. The allocation to these bonds should not exceed 15%-20% of the fixed income portfolio.
- 7.9.4. Standard and Poor's or Moody's must rate bonds as "BBB" or higher to be purchased for the portfolio. Bonds that are split rated will, for the purposes of this portfolio, be considered investment grade and thus eligible for purchase. Split rated bonds are defined as bonds that have an investment grade rating with Standard and Poor's and a non-investment grade rating with Moody's or vice versa.
- 7.9.5. International / Emerging Markets bonds are limited to no higher than 10% of the total portfolio value and should be invested via pooled investments such as ETFs and/or mutual funds.
- 7.9.6. The fixed income holding of a single issuer may not exceed 10% of the market value of the portfolio.
- 7.9.7. The portfolio diversification requirements do not pertain to investments in debt securities issued by the U.S. Government or its fully guaranteed agencies.
- 7.10. Alternative Investments Portfolio
 - 7.10.1. A range of alternative investments may be considered prudent to be included in the overall asset allocation with the objective of creating favorable risk-reward characteristics for the overall portfolio. These alternative investments may include liquid alternatives, private equity, managed futures (limited partnerships), hedge funds or hedge fund replication strategies, inflation-indexed securities, real assets/natural resources, real estate or REITS, and commodities.
 - 7.10.2. The tactical allocation for such alternative investments may range from 0%-30% of the total market value of the portfolio. This allocation is limited due to the high risk, long-term, illiquid nature of such commitments.
 - 7.10.3. AACRAO recognizes that while such alternative investments may carry a higher degree of risk if considered on their own, they may potentially reduce total portfolio risk and enhance total portfolio return since they may be uncorrelated to other asset classes in the portfolio mix.
- 7.11. Cash Equivalents Portfolio - While it is desirable that the Investment Consultant(s) use interest-bearing money market funds and other cash equivalent securities with a maturity of one year or less, AACRAO understands that attractive opportunities might arise with securities with longer maturities from time to time. The Investment Consultant(s) is permitted to invest in such securities.
- 7.12. The Investment Consultant (s) shall not purchase assets other than those expressly allowed in this statement without the written consent of AACRAO. The following are prohibited (except if executed in the Alternative Investments portion of the portfolio).

- 7.12.1. purchase of securities on margin
- 7.12.2. options of all types
- 7.12.3. letter stock
- 7.12.4. private placements
- 7.12.5. securities whose issuers have filed a petition for bankruptcy
- 7.12.6. short sales

- 7.12.7. specific industries or sectors as set forth by AACRAO Finance, Investments and Audit Committee or a designated sub-committee
- 7.12.8. tax exempt securities
- 7.12.9. warrants
- 7.12.10. foreign stocks (with the exception of American Depositary Receipts for the International allocation) unless the international investment advisor(s) deems such exposure appropriate and suitable.

- 7.13. Fund Performance Benchmarks
 - 7.13.1. Investment Consultant(s) will be evaluated against their respective benchmarks and peer groups. For example, a Large Cap Value manager will be compared against the Russell 1000 Value and the PSN or Morningstar Large Cap Value Universes.
 - 7.13.2. The custom index is defined as a mix of relevant indices in the same proportion as the policy allocation of each asset class in the portfolio. For example, a 10% allocation to the large cap value investment manager will require that the custom index include 10% of Russell 1000 Value or another appropriate index in the mix. This target of return would be accomplished through long-term capital appreciation, principal preservation, and achievement of returns consistent with each category of investment.

- 7.14. Review and Reporting
 - 7.14.1. Annual Review - The Finance, Investments and Audit Committee will review, on an annual basis, written evaluations of the net-of-fee performance against the investment policies and benchmarks set forth above. The evaluation shall include a report of performance for each investment manager for past periods including the last quarter, last twelve months, last three years, and period since inception (both absolute and relative to appropriate indices). Returns shall be annualized and calculated on a time-weighted basis for the total portfolio. All returns should include income and dividends.
 - 7.14.2. The Investment Consultant(s) will provide a quarterly performance summary and a detailed quarterly evaluation to the Finance, Investments and Audit Committee.

- 7.14.3. The Finance, Investments and Audit Committee or its designee(s) shall meet with the Investment Consultant(s) at least semi-annually or as requested to review fund investments and the current investment environment. At such meetings, the written and oral presentations shall cover the following:
 - 7.14.3.1. a review of the financial markets and economies that may affect the portfolio's performance; and
 - 7.14.3.2. the quarterly performance and asset allocation report described above, and an annual fee disclosure; and
 - 7.14.3.3. discussion of the rationale for performance results by relating them specifically to investment strategy and tactical decisions implemented during the current review period; and
 - 7.14.3.4. discussion of the Investment Consultant's specific strategy for the portfolio over the next period with specific reference to asset allocation and portfolio characteristics, as appropriate; and
 - 7.14.3.5. supporting discussion of the next period's strategy with reference to Investment Consultant's capital market and economic assumptions, as appropriate; and
 - 7.14.3.6. discussion of AACRAO's needs, goals, and objectives, if different from the previous quarter.
- 7.14.4 All actions taken by the Investment Consultant will be communicated to the Executive Director and Finance, Investments and Audit Committee Chair within 24 hours or as quickly as possible.
- 7.15. Changes to Investment Guidelines – The Board reserves the right to make any changes to these guidelines as deemed necessary. All such changes will be made in writing and Investment Consultant(s) will be duly informed.

C.2. – GIFTS

C.2.1. – GIFT POLICY

Mission

The mission of the American Association of Collegiate Registrars and Admissions Officers (AACRAO) is to serve and advance higher education by providing leadership in academic and enrollment services.

Section 1: Purpose

The purpose of this gift acceptance policy is to give guidance and counsel to those individuals within AACRAO concerned with the planning, promotion, solicitation, receipt, acceptance, management, reporting, use, and disposition of gifts to the association.

This policy may be viewed as flexible and realistic in order to accommodate an unpredictable situation as well as donor expectations, as long as such situations and expectations are consistent with AACRAO's mission and policies and with Board approval. The Board and the Executive Director should consult with legal counsel to evaluate the merits of a particular gift that falls outside of policy guidelines. In addition, it is recommended that all gifts be reviewed by counsel.

The Board, through the Finance and Investments Committee and the Executive Director, is responsible for the gift acceptance policy. This responsibility cannot be delegated or waived. These policies and authorizations shall be reviewed by the Finance and Investments Committee on an annual basis or as circumstances warrant.

Section 2: Use of Legal Counsel

- A. **The Association.** The Association shall seek the advice of legal counsel in matters relating to acceptance of gifts when appropriate. Review by legal counsel is recommended for:
1. closely held stock transfers that are subject to restrictions or buy-sell agreements;
 2. documents naming the Association as trustee;
 3. gifts involving contracts such as bargain sales, partnership agreements, or other documents requiring the association to assume an obligation;
 4. transactions with a potential conflict of interest;
 5. gifts of real estate;
 6. pledge agreements;
 7. any gift with restrictions.
- B. **Donor.** For non-standard gifts, in order to avoid potential any conflicts or potential conflicts of interest, the Association should encourage prospective donors to seek the assistance of their own legal and financial advisors in matters relating to their gifts and the resulting tax and estate planning consequences.

Section 3: Acceptance and Refusal of Gifts

AACRAO actively solicits gifts and grants to further the mission of the Association. There is a potential that the acceptance of certain gifts could compromise the ability of the Association to accomplish its goals or could jeopardize its tax-exempt status. Hence, the following gift acceptance policy applies:

- A. The Executive Director of AACRAO and the Board has the authority to solicit and/or accept gifts on behalf of AACRAO.
- B. AACRAO's responsibility is to productively pursue gifts that will further the Association's mission, goals, and objectives. The primary consideration in the pursuit of gifts is how they can benefit the Association in the most ethical and unencumbered manner. To that end, the following caveats must be considered:

Core Values. Is the gift one that is consistent with the Association’s standards, principles, and core values?

Compatibility of Cause. Will the gift unnecessarily challenge the Association’s ability to further its mission, goals, or objectives?

Public Relations. Does the acceptance of the gift present the Association in an unfavorable light? Does it appear that there may exist a conflict of interest between the donor and the Association?

Motivation. Is there clear charitable intent and a commitment to the Association?

Consistency. Will the acceptance of the gift be compatible and in agreement with other fundraising activities or gifts of the Association?

Credibility. Are the circumstances surrounding the donor and the gift believable?

Associational Stability. If controversy develops, will it be significant enough to weaken the structure of the Association?

Form of Gift. Will the nature of the in-kind contribution create problems, such as in advertising or sponsorship?

Source of Gift. Who is the donor? Is the gift from an individual or a corporation? Does the donor represent a perceived conflict of interest, or might the donor’s objectives not fit with the mission of the Association?

- C. The Board shall have the right to refuse contributions that do not enhance, promote, ensure, or further the purpose of AACRAO and the long-range financial viability of the Association.

Section 4: Policy Regarding Specific Types of Gifts

- A. **Gifts Generally Accepted Without Review (Unrestricted Gifts of Cash).** The Executive Director on behalf of the Association will accept unrestricted gifts of cash without prior review by the Board, provided that, for donations of \$5,000 or more, the identity of the donor has been vetted with respect to any reputational or policy issues. Unrestricted gifts of cash are acceptable in any form. Checks shall be made payable to AACRAO.
- B. **Gifts Subject to Board Review Prior to Acceptance.** All gifts, other than unrestricted gifts of cash, must be reviewed by the Finance and Investments Committee and approved by the Board prior to acceptance, unless the Board authorizes certain *de minimis* gifts or categories of gifts to be accepted without its review. The following guidelines also apply:
 1. **Tangible Personal Property:** The Board shall review and decide whether to accept gifts of tangible personal property by considering the following factors:
 - a. Whether the property furthers the mission of the Association;
 - b. The marketability of the property;
 - c. The restrictions on the use, display, or sale of the property; and
 - d. Carrying costs and possible liability for the property.
 2. **Marketable Securities:**
 - a. Unrestricted marketable securities may be transferred to an account maintained by the Association at one or more brokerage firms or delivered physically with the transferor's signature or stock power attached. All marketable securities shall normally be sold as soon as practical following receipt, unless otherwise directed by the Board.
 - b. If the marketable securities are restricted by applicable securities laws, the Board shall make the final determination on the acceptance of the restricted securities.
 3. **Closely-Held Securities:** Closely-held securities, including debt and equity positions in non-publicly traded companies, interests in LLPs and LLCs, or other ownership forms, can be accepted subject to the approval of the Board of the Association. The Board shall review and decide whether to accept closely held securities based on the following factors:
 - a. Restrictions on the security that would prevent the association from ultimately converting the securities to cash;

- b. The marketability of the securities; and
- c. Any undesirable consequences for the Association from accepting the securities.

If potential problems arise on initial review of the security, further review and recommendation by an outside professional may be sought before making a final decision on acceptance of the gift. The final determination on the acceptance of closely held securities shall be made by the Board of the Association with advice of legal counsel when deemed necessary. Non-marketable securities shall be sold as quickly as possible.

4. **Bequests:** Donors may make bequests to the Association under their wills and trusts. A bequest will not be recorded as a gift until the gift is irrevocable. When the gift is irrevocable, but is not due until a future date, the gift will be recorded in accordance with GAAP.
5. **Charitable Remainder Trusts:** The Association may accept designations as remainder beneficiary of a charitable remainder trust. The Association shall not accept appointment as trustee of a charitable remainder trust.
6. **Charitable Lead Trusts:** The Association may accept designations as income beneficiary of a charitable lead trust. The Association shall not accept an appointment as trustee of a charitable lead trust.
7. **Retirement Plan Beneficiary Designations:** The Association may accept designations as beneficiary of donors' retirement plans. Designations will not be recorded as gifts until the gift is irrevocable. When the gift is irrevocable, the gift will be recorded in accordance with GAAP.
8. **Life Insurance:** The Association may accept designations as beneficiary and owner of a life insurance policy. The life insurance policy will be recorded as a gift once the Association is named as both beneficiary and irrevocable owner of a life insurance policy. The gift shall be valued in accordance with GAAP rules. If the donor contributes future premium payments, the Association will include the entire amount of the additional premium payment as a gift in the year that it is made. If the donor does not elect to continue to make gifts to cover premium payments on the life insurance policy, the Association may:
 - a. Continue to pay the premiums;
 - b. Convert the policy to paid up insurance, or
 - c. Surrender the policy for its current cash value.

Donors may name the Association as beneficiary or contingent beneficiary of their life insurance policies. Designations will not be recorded as gifts until the gift is irrevocable. Where the gift is irrevocable, the gift shall be recorded in accordance with GAAP.

9. **Charitable Gift Annuities:** The Association does not accept gifts of this type.
10. **Real Estate:** Gifts of real estate may include developed property, undeveloped property, or gifts subject to a prior life interest.

Environmental Review. Prior to acceptance of real estate, the Association shall require an initial environmental review of the property to ensure that the property has no environmental problem. If the initial inspection reveals a potential problem, the Association shall retain a qualified inspection firm to conduct an environmental audit. The cost of the environmental audit shall be an expense of the donor.

Title Binder. A title binder shall be obtained by the Association prior to the acceptance of the real property gift when appropriate. The cost of this title binder shall be an expense of the donor.

Factors for Acceptance. The Board and legal counsel shall review and decide whether to accept real property based on the following factors:

- a. whether the property is useful for the purposes of the Association;
 - b. the marketability of the property;
 - c. any encumbrances, leases, restrictions, reservations, easements, or other limitations associated with the property;
 - d. any carrying costs associated with the property, including insurance, property taxes, mortgages, notes or other costs;
 - e. any concerns which the environmental audit revealed.
11. **Remainder Interests in Property:** The Association does not accept gifts of type. **Oil, Gas, Mineral and Energy Interests:** The Association may accept oil and gas property interests when

appropriate. The Board and legal counsel shall review and decide whether to accept oil, gas, mineral and energy interests subject to the following limitations:

- a. value of gift;
 - b. revenue generation of the gift;
 - c. the property should not have extended liabilities or other considerations that make receipt of the gift inappropriate.
 - d. a working interest should only be accepted after consideration of potential liability and tax consequences.
 - e. the property should undergo an environmental review to ensure that the Association has no current or potential exposure to environmental liability.
12. **Restricted Gifts:** A gift with restrictions will be accepted only if and when the restrictions are approved by the Board.
13. **Named Funds:** A donor, or group of donors, may contribute and name a fund and restrict the use of the income or principal of the fund. Named funds require a minimum contribution of \$100,000 and are subject to Board approval like any other restricted gift.

Section 5: Confidentiality

All information about donors and prospective donors, including but not limited to their names, the names of their beneficiaries, the nature and amounts of their gifts, and the sizes of their estates will be kept confidential by AACRAO and its representatives, unless the donor grants permission to release such information. All requests by donors for anonymity will be honored, except to the extent that AACRAO is required by law to disclose the identity of donors.

Section 6: Stewardship

AACRAO will be responsible for good stewardship toward its donors by following these guidelines:

- A. All gifts will be acknowledged within the required, or otherwise reasonable, period of time.
- B. All gift acknowledgment letters/receipts will be prepared by the Executive Director or his or her designee.
- C. Gifts to AACRAO shall be reported in a manner consistent with the standards recommended by the Association of Fundraising Professionals (AFP) or the National Council on Planned Giving (NCPG).
- D. Files, records, and mailing lists regarding all donors and donor prospects are maintained and controlled by AACRAO. Maximum use will be made of information and contacts that members of the Board, various volunteer groups, or the staff has with potential donors. Written reports of interviews and solicitations will be maintained in the donor prospect file and/or computer.
- E. This information is confidential and is strictly for the use of AACRAO Board and staff. Use of this information shall be restricted to organization purposes only. Donor has the right to review his or her donor fund file(s).
- F. AACRAO will provide the donors of endowed scholarships with appropriate information about the recipients of scholarship assistance.
- G. Should the gift be restricted, AACRAO will provide the donor with a narrative and financial report detailing the activities made possible by their support. This report will be submitted to the donor within 90 days of the completion of the underwritten activities.
- H. Gifts to AACRAO and accompanying correspondence will be considered confidential information, with the exception of the publication of donor recognition societies. All donor requests for confidentiality will be honored.
- I. Names of donors will not be provided by AACRAO to other organizations, nor will any lists be sold or given to other organizations.

Section 7: Conflict of Interest

The AACRAO Board will assure itself that AACRAO personnel are circumspect in all dealings with donors in order to avoid even the appearance of any act of self-interest. The Board will consider a transaction in which the employee has a “material financial interest” with a donor an act of self-interest. In reviewing such transactions, the Board shall consider financial interest “material” to an employee if it is sufficient to create an appearance of a conflict. In each case, this will be a question of fact.

The Board will examine all acts of self-interest including, but not limited to prohibition against personal benefit. Those individuals who normally engage in the solicitation of gifts on behalf of AACRAO shall not personally benefit by way of commission, contract fees, salary, or other benefits from any donor in the performance of their duties on behalf of AACRAO. (The definition of individuals includes each of the categories of employees of AACRAO. Individuals are further defined to include associations, partnerships, corporations, or other enterprises in which a member of the staff holds a principal ownership interest.)

Section 8: Conformity to Federal and State Laws

The Board will assure itself that fundraising activities comply with local, state, and federal laws.

Section 9: Gift Valuations

AACRAO shall follow accepted guidelines for the valuation of gifts such as stock, real estate, personal property, and life insurance that require specific methods of valuation for the protection of both the donor and AACRAO. Gifts of art, furniture, books, stamps, coins, and other collections must have values assessed by properly accredited independent appraisers retained by potential donors for appropriate gift tax credit. AACRAO shall acknowledge receipt of such properties but must not verify values.

Section 10: Required Reporting of Gifts to the Internal Revenue Service

Should AACRAO sell, exchange, or otherwise dispose of any gift (other than checks, cash, or publicly traded stocks or bonds), AACRAO will file appropriate reports with the IRS and other relevant agencies.

C.3.1. – ESTABLISHMENT OF NEW PROGRAMS POLICY

Approval by the Board is required for the establishment of any new AACRAO program that requires the execution of a contract with a hotel, event planning service, institution, individual, or other entity. C.3.2. – MEMBER CONTRACTING POLICY

The American Association of Collegiate Registrars and Admissions Officers (AACRAO) relies on volunteers from within its membership to take on projects for the benefit of the Association. Such volunteerism is the critical factor in AACRAO's ability to contribute to the profession, and members are generally expected to serve in various capacities on an unpaid basis.

AACRAO does, however, occasionally retain the services of experts from within its membership on a fee-for-service basis. Paid positions are typically those that, for a variety of reasons, could not be filled by volunteers. They tend to be more demanding on members' time than could reasonably be expected of volunteers, and they represent specific performance-based activities that the Association would normally need to pay an expert to undertake.

Payments to members, who are more often expected to volunteer their time to the Association, shall be subject to selection requirements that exceed AACRAO transactions with non-members. In its dealings with non-members, AACRAO generally strives for lowering costs and increasing benefits to the Association. In dealing with payments to members, AACRAO must, in addition to these criteria, ensure an open process through which all qualified members are given the opportunity to participate.

In awarding fee-for-service contracts to members in excess of \$1,000, the Executive Director shall adhere to the following policies:

1. The Executive Director shall generally publicize the nature of services needed and solicit expressions of interest from the membership.
2. The Executive Director, upon review and assessment of the various applications, shall select the member with whom AACRAO intends to contract.
3. AACRAO and the member shall enter into a written Memorandum of Understanding, which shall include all of the terms and conditions relating to the services rendered and payments received.
4. The Executive Director shall provide a report to the Board of Directors at the meeting subsequent to any contracts with members.

C.3.3. – STIPENDS

C.3.3.1. – EDITOR OF COLLEGE AND UNIVERSITY (C&U)

The stipend for the C&U Editor shall be \$4,000 annually. The C&U Editor shall be an active AACRAO voting member and a practicing professional or a recently retired AACRAO member/practitioner still engaged with the Association and profession. Appointment as Editor of C&U shall be made for an initial two-year period, renewable annually for up to three additional years, and the appointment date shall coincide with the Annual Meeting. When a new Editor is to be appointed, there shall be a general call to the membership for consideration. An interim appointment may be made as necessary for the remainder of an Editorial term and will not affect an initial two-year appointment.

C.4. – PARTNERSHIPS

C.4.1. – PARTNERSHIP POLICY

In furtherance of its mission, AACRAO may enter into partnerships with nonprofit or for-profit entities.

Definition of Partnership

For purposes of this policy, a partnership refers to any contractual agreement between AACRAO and another entity under which AACRAO and one or more partners share financial profits and losses of a mutual undertaking. Exempted from this definition are collaborative activities with other organizations in connection with legislative and public policy concerns, as well as co-publication of single titles of interest to AACRAO members.

Identification of Partnership Opportunities

It shall be the responsibility of the Executive Director to identify partnership opportunities for AACRAO that will assist the Association in accomplishing its mission more efficiently or effectively. The Executive Director shall report to the Board of Directors from time to time on his/her efforts to identify partnership opportunities.

Evaluation of Partnership Opportunities

AACRAO shall enter into a partnership only if the partnership relates directly to the interest of the membership, advances the professions represented by the Association, or furthers the organization's mission in a way that the Association could not accomplish on its own.

Authority of Approve Partnerships

The AACRAO Board of Directors shall have final authority to approve all partnership agreements.

Mandatory Terms in Partnership Agreements

AACRAO will enter into a partnership only if the binding partnership documents:

- Permit use of AACRAO's name and logo only by parties to the agreement and only in connection with the specific activities of the partnership.
- Indemnify the association for losses arising out of actions by the partner organization.
- Contain explicit termination clauses.
- Indicate the degree to which the partnership is an exclusive agreement.

C.4.2. – SERVICE-DELIVERY VENTURES INVOLVING THIRD PARTIES POLICY

To ensure that the reputation and trademarks of AACRAO receive the utmost protection, the Board has developed the following guidelines. All AACRAO-branded service units that involve third parties through such arrangements as partnerships, joint ventures, or licensing agreements shall comply with these guidelines.

1. The services offered by AACRAO-branded service units must relate to the Association's mission and its members' professions.
2. The Association shall, through appropriate member involvement, develop and impose high quality standards on AACRAO-branded service units.
3. The Association shall assess the membership's views and conduct business and legal due diligence prior to, and periodically after, launching an AACRAO-branded service unit.
4. The President shall appoint an advisory panel of voting members to review such ventures involving AACRAO branded service units.
5. The Association shall develop a communication plan to keep the membership informed of the activities of AACRAO-branded service units.

Purpose

The purpose of this policy is to provide broad guidelines and establish procedures for those individuals incurring official travel and business expenses on behalf AACRAO. The intent is to control travel expenditures, to maximize the ability to negotiate discounted rates with preferred suppliers, and to ensure compliance with Internal Revenue Service (IRS) requirements. The Travel Policy is intended to be an information resource and guide to making travel arrangements and to processing travel and other related expenses.

Scope

The Travel Policy applies to the following individuals traveling on behalf of the Association and seeking reimbursement for appropriate business-related expenses, regardless the funding source:

- Member volunteers
- All employees of the Association
- Non-employees who have been authorized to travel and/or entertain on behalf of AACRAO

AACRAO assumes no obligation to reimburse for expenses that are neither Association business-related nor in compliance with this Policy.

Guidelines

Travelers must have their travel plans and expenses approved by the Executive Director or designee. Travelers must report and substantiate the amount, date and business purpose of all expenses within 60 days, using the standard AACRAO Travel Expense Report, upon completion of travel. Receipts must be provided to substantiate all claims for reimbursement and be attached to the Travel Expense Report, including a check for any cash advance amounts in excess of substantiated expenses. Unsubstantiated and unsupported expenses may not be reimbursed.

Auditing and Internal Control

The Accounting Office will audit all Travel Expense Reports for compliance with the Association policies and Internal Revenue Service (IRS) regulations. Additional information supporting an expense may be required prior to the expense being reimbursed. Travel and other related expenses will be included in the audit testing performed by the Association's independent accountants in connection with the annual audit.

PERMITTED EXPENSES

Transportation

The base compensation rate for any form of travel is equivalent to the cost of a coach or economy class airline ticket. Travelers may use any form of transportation to travel to their destination, but will be reimbursed for the less expensive of that method of transportation or an economy class airline ticket. Exceptions to this rule must be approved by the Executive Director or his/her designate.

Airline Travel: Whenever possible, coach or economy class air service should be used and travelers are expected to take advantage of advance purchase rates. Furthermore, flights should be booked, using the least expensive fare via the most direct route, or other reasonable routing that results in a lower fare. Travelers may retain frequent flyer program benefits. However, participation in these programs must not influence flights selection. The Association will not reimburse travelers for tickets purchased with frequent flyer miles.

Ground Transportation: The most economical mode of transportation, such as shuttle services and public transportation should be used to and from air, rail, or bus terminal, whenever possible. Private sedans or limousine services should be avoided unless there are enough people traveling together to make the expense more economical than other modes of transportation.

Rental Cars: Travelers should use a rental car when other transportation is not available or when their use results in a cost savings. The size of the rental car should be the least expensive model consistent with the number of travelers, the business requirements of the trip. Travelers should decline the Collision Damage Waiver (CDW) and the Liability Damage Waiver (LDW) option, supplemental liability coverage, personal accident insurance and other additional insurance options when renting a car for business purposes. Such coverage is provided under the Association's insurance policies and is not reimbursable. Any additional questions about car rental insurance should be directed to the Accounting office at (202) 263-0281.

Private Vehicles: Travelers may use their personal car for business purposes if it is less expensive than other options or if it saves time. It is the personal responsibility of the owner of a vehicle being used for Association business to carry adequate insurance. Travelers are not covered under the Association's automobile policy when driving a personal vehicle for Association business purposes. If driving a personal vehicle, the traveler's personal insurance covers vehicle damage and the traveler is responsible for any liability or expenses incurred. When driving a personal vehicle, the Association will reimburse a mileage rate calculated on a per mile basis for the actual miles traveled. This mileage rate covers all transportation and operating costs of the vehicle, including gasoline and is based on the stated IRS rate in effect at the time of travel. Current rates can be found at the following URL www.irs.gov/newsroom/article/0,,id=240903,00.html or on the Association Travel Expense Report. When submitting a Travel Expense Report, travelers must substantiate driving trips longer than thirty (30) miles by attaching a printed itinerary using a service like MapQuest.

Additional reimbursement will be made for turnpike tolls, bridge tolls and reasonable parking fees. The Association will not reimburse employees for parking tickets, fines for moving violations or vehicle towing charges. No reimbursement will be made for vehicle repair costs.

Travelers who choose to use their own automobiles on trip where air travel is more appropriate will be reimbursed an amount not to exceed the most economical airfare to the destination.

Rail Travel: A reserved/unreserved train, coach class on these trains may be least expensive mode of rail transportation and is the most appropriate for AACRAO travelers. Sleeping accommodations, if justified, may be utilized. Rail travel will be reimbursed at the lower of the cost of rail fare or an economy airline ticket.

Hotels

AACRAO has negotiated discounted preferred rates (based on availability) with local hotels in the area. Whenever possible, travelers should stay in a standard room at a non-luxury hotel, or at designated conference hotels.

Meals

Business meals are defined as meal expenses incurred when conducting Association business. Meal reimbursements will commence from the time you leave home until you return. Travelers will be reimbursed for personal meal expenses provided they are documented and reasonable. Three meals per day will be reimbursed, which include breakfast, lunch and dinner. If a meal is provided by a conference as part of the conference fees and a traveler elects to purchase a meal independent of the conference, such meals will be considered a personal expense and will not be reimbursed.

Per Diem for Domestic Travel: Association travelers may choose whether to file for actual expense reimbursements or a per diem rate, provided that the actual expenditures do not exceed the per diem limit. A per diem is given to a traveler to cover meals in connection with the performance of services for the Association. Meals provided to the traveler, at no cost, may not be claimed under the per diem allowance. Travelers who use per diem allowances do not have to substantiate each meal expense, but they must demonstrate that the trip occurred by providing an airline or hotel receipt. Per Diem will be paid based on the geographic locale where the traveler performed his/her AACRAO responsibilities. Rates to be used when completing an expense reimbursement request can be found at www.gsa.gov/perdiem.

Per Diem for International Travel: The per diem for international travel will follow the per diem allowance listed on the U.S. Department of State website at https://aoprals.state.gov/web920/per_diem.asp.

Alcoholic Beverages – The alcoholic beverages policy can be found at http://www4.aacrao.org/bod/wp-content/uploads/2014/05/AACRAO_Alcoholic_Beverage_Policy.pdf.

ADDITIONAL GUIDELINES

Spouse/Dependent Event Attendance and Travel: AACRAO will not pay or reimburse business travel of expenses for family members who accompany AACRAO traveler on Association business except in unusual circumstances. Exceptions must be approved in advance and in writing by the Executive Director.

Extended Travel: Reimbursement for meals, lodging and other expenses will normally be limited to expenses incurred by the traveler during normal business activity. However, expense incurred on additional days may be reimbursed if extending the period results in a reduced round trip air fare sufficient to cover the meals, lodging and other expenses.

Cancellation Refunds: If the Association has prepaid an expense and the trip, event or conference is canceled, a refund should be sought. The responsibility of ensuring a refund rests with the traveler and not the Accounting department.

SPONSORED PROGRAMS

In addition to AACRAO's Policies, there may be additional requirements when Association travel is required or paid by a sponsored program activity. In particular, federal government grants are subject to government travel guidelines.

Preferred Travel Agencies: AACRAO has a relationship with Association Travel Services and they function as the Association's preferred travel agency. Contact AACRAO staff member to receive information about how to use this service including authorization and budget codes.

REIMBURSEMENT PROCEDURES

Forms and Documentation: It is the Association practice to retain, for seven years, all travel documentation. Reimbursement receipts will be retained by the Accounts Payable Department. Travel Expense Reports should be used for travel-related expense and Check Request Forms should be used for non-travel-related expenses. Contact an AACRAO staff member for the most up-to-date version of these forms. All authorized travelers submitting these forms sign their own names to certify to the best of their knowledge that the information contained therein is accurate and that all claimed expenses are allowable and were incurred in the conduct of official Association business. The Association will not reimburse travel and other related expenses that have been or will be reimbursed from any other outside source.

All reimbursements will be made by check, payable to the traveler and will be sent to the requestor by method checked on the form. Expenses paid in foreign currency must be claimed by providing the actual expense(s) by showing any of the following:

- receipt from the currency exchange company or bank showing the actual exchange rate and fees when exchanging cash;
- bank statement showing ATM withdrawal in foreign currency and conversion to dollars with fee added; or
- credit card statement showing charges in foreign currency and conversion to dollars with fee added.

If any of these required receipts or statements cannot be provided, then individuals must use the interbank rate shown on the website (www.oanda.com) by providing the exchange rate being used and the U.S. dollar equivalent on all receipts.

MISSING OR LOST RECEIPTS: An individual, who incurs expenses and subsequently loses a required receipt, should seek a duplicate and submit it stating that the original was lost. When an acceptable duplicate cannot be obtained, some supporting documentation must be provided such as credit card statements. Along with the supporting documentation, a written explanation must be provided stating that the original receipts have been lost, duplicate receipts cannot be obtained and the supporting documentation is all that can be provided to support the expense. The Accounting Office may contact the traveler with questions if there is incorrect or incomplete information on the Travel Expense Report. While every effort should be made to include all receipts, any request for reimbursement for more than \$25 must include some form of substantiation, whether it be a receipt or a credit card statement.

APPENDIX A: MISCELLANEOUS REIMBURSABLE EXPENSES

C.5.1.2. – ALCOHOLIC BEVERAGE POLICY

In general, costs for alcoholic beverages, with or without meals, are considered a personal expense and will not be reimbursed by AACRAO. However, alcoholic beverages purchased under the following circumstances are a permissible business expense and may be charged to AACRAO:

- 1) purchase of alcoholic beverages by the Executive Staff and/or members of the Board of Directors when developing or maintaining business relations with sponsors and other key stakeholders where the expenditure would be deemed usual, customary, and reasonable. Authorized individuals should consult with the Executive Director prior to the expenditure.
- 2) service of alcoholic beverages at AACRAO-sponsored events, when explicitly authorized by the Executive Director.

For those expenditures qualifying under items 1 or 2, detailed receipts are required for reimbursement.

C.5.2.3. – BOARD ATTENDANCE AT AACRAO MEETINGS AND AT OTHER HIGHER EDUCATION ASSOCIATION MEETINGS

While Board members may attend AACRAO meetings or other Association meetings as part of their institutional responsibilities, they recognize that they will also be seen as representatives of AACRAO and the Board. In addition, the Board recognizes that it may be advisable to have formal Board representation at some meetings. This policy discusses the procedure for approving and paying for Board representation at meetings.

Board Representation at AACRAO Meetings

Generally, because of the diverse institutional duties represented by the AACRAO Board, there is a Board member in attendance at almost all AACRAO meetings. In order to bring experience and feedback from the meetings back to the Board, Board members will be polled to determine who will be attending upcoming meetings. If no one from the Board will be attending an AACRAO meeting (e.g., SEM, Transfer and Technology) and if the Board or Executive Director determines that it is strategically important to be represented at the meeting, AACRAO will pay to send a Board member to the meeting. The Board affirms that it does not see this as a programmatic responsibility for Board members, but rather a way to ensure Board participation at AACRAO events. Board members are expected to provide any noteworthy or strategic observations to the Board at its next meeting.

Board Representation at Other Associations' Meetings

The Board recognizes that it is sometimes advantageous to attend other associations' meetings in order to build relationships and alliances. When the Board identifies a strategic need to attend another association's meeting or event, it will poll the Board members to see if anyone is attending and can represent AACRAO. If no one on the Board is planning to attend, the Board or Executive Director will determine whether the need to be represented merits paying for a Board member to attend. The Board affirms that it does not see this as a programmatic responsibility for Board members, but rather a way to ensure Board participation at strategically important events. Board members are expected to provide any noteworthy or strategic observations to the Board at its next meeting.

SECTION E – HUMAN RESOURCES AND EMPLOYMENT

E.1. – COMPENSATION AND BENEFITS

E.1.1. – COMPENSATION POLICY

Program Philosophy and Objectives

AACRAO's primary objective is to provide reasonable and competitive compensation consistent with market-based compensation practices for individuals possessing the experience and skills needed to advance the goals and performance of the Association. Compensation should be equitable across comparable positions.

The organization's compensation program is designed to

- Encourage the attraction and retention of qualified and talented individuals.
- Provide a competitive compensation package, including benefits.
- Reinforce the goals of the Association.
- Ensure that compensation is fair and equitable.
- Ensure that the program can be reasonably explained, understood, and administered.
- Balance the need to be competitive within the limits of available financial resources.
- Ensure that the program complies with state and federal legislation.

Governance and Procedures

The Compensation Committee of the Board of Directors is responsible for the administration of AACRAO's executive compensation program. The Compensation Committee is responsible for establishing and maintaining a competitive compensation program for the Executive Director, Deputy Director, and the Associate Executive Directors (hereafter referred to as key executives) of the Association. The committee meets as needed to review the compensation program and to make recommendations to the board for any changes.

The Compensation Committee conducts a periodic review to evaluate the organization's executive compensation program against the competitive market. The evaluation is intended to ensure that the compensation program falls within a reasonable range of competitive practices for comparable positions among similarly situated organizations.

The committee reviews and approves, for key executives, base salaries and objectives and goals for the upcoming year. The committee reviews and recommends to the board salary approval for the Executive Director, as well as any recommendations for an incentive plan and any proposed incentive adjustments.

The Executive Director is responsible for the administration of AACRAO's compensation program for all other employees. The Executive Director will conduct a periodic review to evaluate the organization's staff compensation program against the competitive market. The compensation program will include a job evaluation program and compensation policies. Among the goals for the compensation program will be the promotion of internal equity, reward for meritorious performance, effective recruitment, and retention of staff.

The Compensation Committee and the Executive Director will maintain records of their deliberations and decisions regarding compensation.

Program Market Position

AACRAO focuses on comparable nonprofit organizations in higher education to benchmark pay but recognizes that the market for executive talent may be broader than this group. Market information for private foundations and

published not-for-profit compensation surveys may be used as a supplement. In addition, AACRAO may collect other published survey data, when appropriate, for for-profit organizations.

Together with data from the comparable local organizations, data from these market segments are used to form a “market composite” to assess the competitiveness of compensation.

In general, AACRAO places total compensation, including benefits, at the median of the market. Programs are designed to be flexible so that compensation can be above or below the median based on experience, performance, and business need to attract and retain specific talent.

E.2.2. – EXECUTIVE DIRECTOR PERFORMANCE REVIEW POLICY

Philosophy and Objectives

The Board of Directors monitors the performance of the Executive Director to ensure that he or she is competent, effective, and accountable, and conducts an annual review and appraisal of his or her performance. This review process provides an opportunity for the Board and Executive Director to review the goals and objectives for the Executive Director, ensures that the expectations of the Board are communicated effectively and consistently, and offers timely feedback and direction to the Executive Director.

The Board evaluates the Executive Director's performance by measuring it against the Association's overall achievement of organizational goals and operations, and in light of the specific goals and objectives developed at the beginning of each review period. Because the Board's ability to observe directly the management of the AACRAO office is limited, the Executive Director is evaluated regularly by those key executives who report directly to him or her. Those key executives are, in turn, evaluated regularly by those employees reporting directly to them.

Although assuring effective performance is the primary purpose for conducting the evaluation, the Compensation Committee takes into account the results of the Executive Director's evaluation in making recommendations for compensation increases and contract renewal to the Board.

Process and Outcomes

The Compensation Committee is responsible for managing the evaluation process, and presents its recommendations to the Board of Directors for approval. The committee develops and administers any evaluation instruments, ensures the safekeeping of the Executive Director's confidential personnel file, and keeps records of the committee's actions.

The performance review process includes the setting and review of goals and objectives, the evaluation of the Executive Director's performance by direct reports, the development of a written evaluation, and the opportunity for the Executive Director to review, discuss, and respond to the evaluation.

The review includes the following steps:

- 1) At the beginning of the review period, the chair of the Compensation Committee and the President will discuss and develop with the Executive Director his or her annual goals and objectives which will serve as one basis for the performance evaluation. They will discuss and determine the means by which the Association's organizational and operational goals will be measured.
- 2) The Executive Director will ensure timely and accurate reporting to the Board of the information necessary to evaluate the achievement of the goals and objectives.

- 3) The AACRAO office will develop the evaluation instrument to be used by the Executive Director's direct reports, and the Compensation Committee will review and provide feedback, as appropriate.
- 4) The Compensation Committee will conduct an annual assessment of the Executive Director's performance by key executives of the Association.
- 5) The Compensation Committee will prepare a draft of the Executive Director's performance evaluation for discussion with the President and subsequent review by the Board. After approval by the Board, a copy of the written performance evaluation will be given to the Executive Director. Early each year, the President and the chair of the Compensation Committee shall meet with the Executive Director to review and discuss the performance evaluation.
- 6) The Executive Director may respond to the evaluation in writing to the Board; the Board is under no obligation to change the evaluation.
- 7) The President will notify the appropriate accounting staff in writing of any salary adjustment approved by the Board and direct that the Executive Director's salary be adjusted accordingly. If the evaluation occurs after the anniversary of the effective date of the Executive Director's contract, any salary increase will be retroactive to the effective date.
- 8) The chair of the Compensation Committee will ensure that a copy of the evaluation and of any attendant correspondence are filed in the Executive Director's confidential personnel file.

E.3. – WHISTLEBLOWER POLICY

Purpose

The American Association of Collegiate Registrars and Admissions Officers (AACRAO) is committed to high standards of ethical, moral and legal business conduct. Coupled with AACRAO’s commitment to open communication, this policy aims to provide an avenue to raise concerns and reassurance that those reporting will be protected from reprisals or victimization for “whistleblowing.”

This policy is intended to provide certain protections for employees, Board members, officers, volunteers and Association members who raise concerns regarding AACRAO, such as

- incorrect financial reporting;
- unlawful activity;
- activities violating AACRAO policies;
- activities which otherwise amount to serious improper conduct.

Safeguards

- Harassment or Victimization - Harassment or victimization for reporting concerns under this policy will not be tolerated.
- Confidentiality - Every effort will be made to treat the complainant’s identity with appropriate regard for confidentiality.
- Anonymous Allegations - This policy encourages employees to put their names to allegations because appropriate follow-up questions and investigation may not be possible unless the source of the information is identified. Concerns expressed anonymously will be explored appropriately, but consideration will be given to:
 - the seriousness of the issue raised;
 - the credibility of the concern; and
 - the likelihood of confirming the allegation from attributable sources.
- Bad Faith Allegations - Allegations in bad faith may result in disciplinary action.

Procedure

Process for Raising a Concern

- Reporting – The *Whistleblower Policy* is intended to be used for serious and sensitive issues. Such concerns—including those relating to financial reporting and unethical or illegal conduct—may be reported directly to the President of AACRAO. (See www.aacrao.org for name and contact information.) Employment-related concerns should continue to be reported through normal channels, such as one’s supervisor, or the Executive Director. If the concern is about the Executive Director, the report should go to the AACRAO Board President.
- Timing – The earlier a concern is expressed, the easier it is to take action.
- Evidence – Although individuals are not expected to prove the truth of an allegation, they should be able to demonstrate to the person contacted that the report is being made in good faith.

How the Reported Concern Will be Handled

The action taken by AACRAO in response to a report of concern will depend on the nature of the concern. The Finance, Investments, and Audit Committee of the AACRAO Board of Directors will be informed of each separate report, its associated follow-up, actions and outcomes.

- Initial Inquiries – Initial inquiries will be made to determine whether an investigation is appropriate, and the form that it should take. Some concerns may be resolved without the need for investigation.

- Further Information – The amount of contact between the complainant and the person or persons investigating the concern will depend on the nature of the issue and the clarity of information provided. Further information may be sought from, or provided to, the person reporting the concern.

The Executive Director shall have the general authority, for good cause and subject to appeal and a due process hearing as provide below, to deny, suspend or revoke voting or non-voting membership status for any institution, entity or person determined by the Executive Director, in a written finding, to be or have engaged in activities inconsistent with AACRAO’s mission, policies or interests, which action, however, shall not be effective and final until after any possible appeal as provided below, and
3. The Executive Director shall have the specific authority, subject to appeal and a due process hearing as provided below, to deny, suspend or revoke membership status for any voting member of AACRAO, or of any non-voting Corporate or Organizational Partner member, whose professional or business activities are determined to have violated the association’s policies or constituted illegal, fraudulent, misleading or inappropriate conduct than can injure the reputation of the association or harm the association in any way, which action, however, shall not be effective and final until after any possible appeal as provided below, and
4. F.1.6. – ESTABLISHMENT OF DUES

The Consumer Price Index for all Urban Consumers (CPI-U) prior to seasonal adjustment published in January of each year for the preceding twelve calendar months will be used in the calculation of member dues. The CPI-U is published by the United States Department of Labor’s Bureau of Labor Statistics (BLS). The BLS considers the CPI-U to be “final when issued.” While many consider the Chained Consumer Price Index for All Urban Consumers (C-CPI-U) to be a superior measure of inflation, the BLS routinely revises the C-CPI-U and considers it “not final when first issued.” Such routine revisions may occur up to two years after the initial release of an estimated C-CPI-U, which makes the use of the C-CPI-U impractical in establishing member dues.

The per-member dues for the next year will be established by applying the CPI-U to the current per-member dues and rounding to the nearest whole dollar amount with fractions of a dollar less than fifty cents being rounded down and those greater than or equal to fifty cents being rounded up.
