Support Student Mobility With Transfer Articulation

Parchment Transfer Articulation — part of the Parchment Pathways suite of Student Mobility products — enables systems, consortia, and institutions to manage course equivalencies more efficiently, automate articulation workflows, and increase transparency to help students see if, and how, the courses they take will count toward their degree.

Learn how Parchment Transfer Articulation can help your institution:

Streamline Articulation Management  Increase Transparency for Students  Improve the Transfer Experience

Learn more about how Parchment Transfer Articulation can help you prevent credit loss and improve transfer success.
