Stop & Share Guidelines

Stop & Shares are small, informal gatherings that allow for lively conversations without the structure of a formal presentation. Participants can generate conversations around a SEM hot topic, best practice, or technological innovation, or continue dialogue from a past meeting and/or presentation.

Format

A flipchart with markers is provided, but no additional audiovisual requests are supported. Each table seats up to 8 people (including the moderator) to keep the group focused on the topic and allow everyone the opportunity to share their experiences, ask questions, and offer solutions.

Schedule

Stop & Shares will be held on Monday and Tuesday during the Best Practice and Deep Dive sessions.
