

WES Gateway Program

Assesses the educational credentials of individuals who have been displaced as a result of adverse circumstances in their country and have limited proof of academic achievements

You May Be Eligible If:

You were educated in Afghanistan, Eritrea, Iraq, Syria, Turkey, Ukraine, or Venezuela

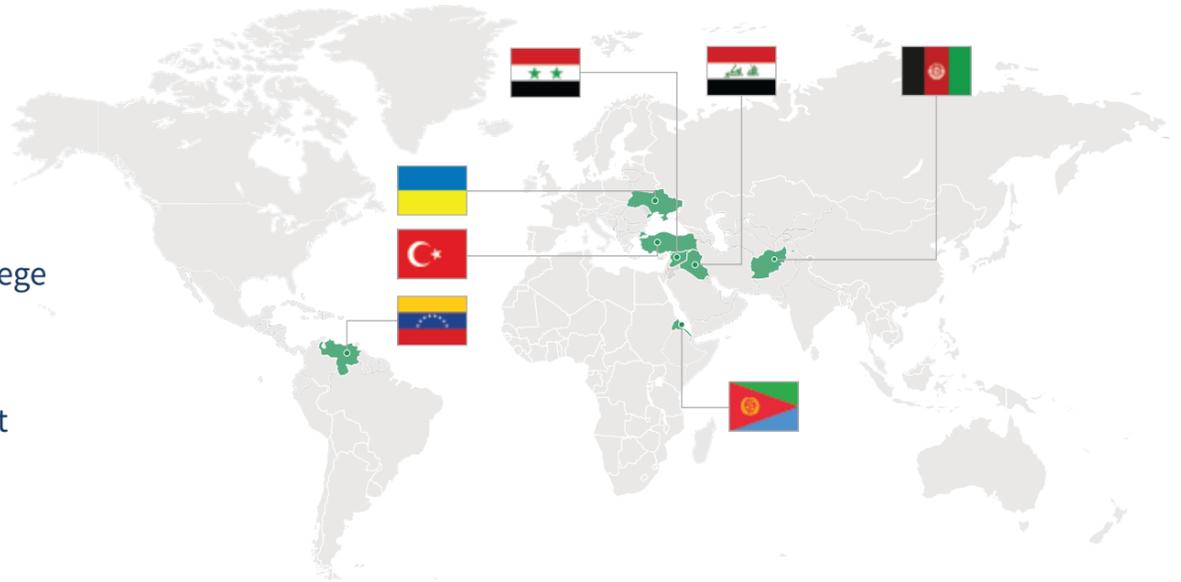

You completed high school or some college or university

You have your diploma and/or transcript

You live in the United States

A WES Gateway Report Can Open Doors To:

Education

Licensure

Employment

Step 1 Find a Referral Partner

- Visit wes.org/gateway and read the Frequently Asked Questions to learn how the program can help you
- Contact WES at gatewayUS@wes.org for help finding a referral organization in your region

Step 2 Apply to the Program

- Connect with a referral organization to have your application submitted
- Sign in to your WES account to upload your documents and to follow the progress of your application

Step 3 Pursue Your Goals

- Contact your referral organization after receiving your credential evaluation report to discuss next steps
- Use your report to apply for education, licensure, or employment that matches your studies

93%

of individuals who received a WES Gateway evaluation report found the program to be supportive of their goals

1,000+

individuals have received a credential evaluation in the U.S. and Canada since the launch of the program
