One Dupont Circle, Ste 520
Washington, DC 20036

03/16/2018

Dear Ms. Barnett Gallion,

On behalf of Principal Maria Tukeva and the Columbia Heights Education Campus (CHEC) family, we would like to thank you and AACRAO for your kind donations of AV equipment to CHEC.

CHEC is a Grades 6 – 12 Multicultural, Multilingual DC Public School. We serve 1250 students who come from 40 nations. CHEC is 98.5% Free & Reduced Meals School (FARM). We believe all kids can go to 4-year college and be socially responsible citizen of a global society. We offer a robust, well -rounded academic and extracurricular programming including 18 AP courses, a Hospitality & Tourism Academy, International Travel Program and a robust Performing Arts & Theatre Program.

Annually, we host and organize approximately 180 events here at CHEC. The AV items donated by AACRAO will be used for student performances and school events. These would include Student Musical Performances, Galas, Staff and Parents Events. We also regular host other neighborhood public and charter schools who do not have an auditorium or performance spaces. I can assure you that your donations will be very beneficial to our school and the community we serve and we will use them efficiently.

Again, we thank you for thinking of CHEC.

Sincerely
Pankaj Rayamajhi
Director, School Operations
