Honorable Nancy Pelosi
Minority Leader
House of Representatives
H-204, The Capitol

Dear Speaker Ryan and Leader Pelosi,

On behalf of the higher education associations listed below, I write you with an urgent request to bring H.R. 2482, the Perkins Loan Extension Act to the floor for a vote this week. This legislation enjoys strong bipartisan support and a majority of Members of Congress have already joined the legislation as cosponsors.

We realize this is an unusual request, but the circumstances require it, as the Perkins Loan program is set to expire on September 30th. Allowing the program to expire without any alternative in place will mean half a million students struggling to fund their college educations.

A similar extension was passed by unanimous consent in both chambers two years ago. This legislation would simply provide a two-year extension of the program to ensure that there is sufficient time to address the program in a comprehensive manner through the reauthorization of the Higher Education Act.

Thank you for considering this request.

Sincerely,

Ted Mitchell
President
