

AACRAO

What are the benefits of belonging to the *oldest* and *largest* community of Registrars and Admissions Officers in the world?

Professionally speaking...

***Network* on a global level**

Exchange valuable information and collaborate with a peer group of over 22,000 fellow professionals representing over 2,100 institutions and agencies in the U.S. and throughout the world.

***Stay* informed**

Get the critical information you need concerning issues you and your department face daily with *Transcript*, AACRAO's online news source which provides members with timely court, industry and international news as well as the latest developments in the areas of federal relations and compliance. Stay involved with *Connect*, our online newsletter covering the latest news and updates on AACRAO services and programs. Make sure to also check out AACRAO's podcasts where you can hear industry updates and important conversations from fellow higher ed professionals.

***Read* all about it**

Take advantage of the comprehensive assortment of publications that AACRAO offers, including the *FERPA Guide*, the *Strategic Enrollment Management* series, the *Student Records Management Guide*, the *AACRAO International Guide*, and the *Academic Record and Transcript Guide*.

***Make* your next *Career* Move**

Advertise open positions, search available jobs, and improve hiring or job hunting. Our career development resources are specialized for registrars, admissions, enrollment management, student service and other higher education administration professionals.

***Access* to a variety of committees**

Get involved in the activities and guidance of the association while enhancing your professional development by joining a committee or caucus. Share your expertise with fellow members by serving on committees that promote access and equity, review records and academic services policy, and more. Connect with like-minded colleagues to share experiences, challenges and solutions by becoming a caucus member.

***Federal Compliance* Resources**

Explore AACRAO's programs and initiatives, which bring together research, professional practice, and member expertise to address evolving challenges. Access related resources and find opportunities to collaborate across areas.

***Training* with Workshops, Webinars & Online Courses**

Participate in our highly focused seminars and workshops which will help keep you current with the latest in enrollment management, records and registration, information technology and student services. Our online course and webinar offerings provide an affordable and convenient method for continued professional development.

***Easy Access* to Benefits**

Whether you are part of a large institution or a small college, we offer a complete range of services including *SEM Quarterly*, our online news source which provides information to enrollment management professionals as well as updates on trends in state-of-the-art student services and SEM practices. AACRAO also offers the *Registrar's Self Assessment* to help you evaluate and improve your office operations, as well as the Electronic Database for Global Education (EDGE), an online resource for the evaluation of foreign educational credentials. Both are available on a subscription basis.

For additional information concerning AACRAO membership, please visit us at www.aacrao.org, call (202) 355-1040 or email membership@aacrao.org

Member Benefits

Join the oldest and largest community of Registrars and Admissions Officers in the world. It's like signing up for a lifetime course in *professional development*.

Network on a global level.

Your membership includes access to the AACRAO Exchange community platform. The Exchange connects higher education professionals to learn from each other and share insights and best practices, and creates peer connection and networking opportunities to advance the pursuit of excellence in admissions, registrations, and enrollment service professions. As a member of the American Association of Collegiate Registrars and Admissions Officers (AACRAO), your ability to share and receive information will increase exponentially. More importantly, you will have an entire organization representing your interests in Washington, D.C. Additionally, you will have access to a variety of committees—each one devoted to keeping you informed about new trends and enhancing your professional development.

Advance your career by getting the critical information you need concerning the issues you and your department face every day.

AACRAO's website is full of member-only resources that will provide you with a wealth of information about enrollment management, records and registration, information technology and student services. AACRAO *Transcript* provides members with timely industry news

as well as the latest developments in federal relations and compliance, while AACRAO *Connect* helps members stay involved within the organization. Other web-based benefits include: *College & University*, *SEM Quarterly*, and the *Member Directory*. In addition, AACRAO's research division conducts and publishes surveys in order to identify new insights and information to help members lead their institutions.

Benefit whether you're part of a large institution or a small college.

AACRAO offers a range of services to meet the needs of all of our members. If your school is a large institution with the need to stay abreast of constantly changing technology and policy development, AACRAO will help you stay up to date. If you are part of a small college, AACRAO will serve as your resource for the broad range of challenges you face in your multiple roles. On a fee basis, AACRAO offers international workshops, as well as on-site and virtual trainings on credit evaluation, while AACRAO Consulting provides outside assistance in a myriad of areas, from office reviews to FERPA training.

Join now and start benefiting from everything AACRAO has to offer.

The following publications are provided to members as complimentary benefits:

College & University

AACRAO's quarterly scholarly research journal presents peer-reviewed, research-based articles focusing on emerging concerns, new techniques, and technology in higher education.

SEM Quarterly

AACRAO's online professional development resource. *SEM Quarterly* provides crucial news and information for enrollment management professionals, as well as updates on trends in state-of-the-art student services and SEM practices.

AACRAO offers numerous other professional publications at a substantial discount to members.
